IRANIAN FOOD PRODUCTS
YUMMY & HEALTHY

About us

Foodex Iranian Trading Company was established in 2017 with the goal of international commerce and export. To begin its operation for exporting the products of Iran's food industry, Foodex Co. utilized cutting-edge information in the field of production and trading to achieve its goal. Aware of the customers' needs, the company created the appropriate infrastructure to prepare and distribute the relevant products in the target markets.

Foodex Trading Co. exports a variety of dried fruit, dates, Persian saffron and rice, packaged spices, Persian herbal distillates, Torshi (pickles), and derivative products of sesame to the target markets in high-quality packaging which maintains the freshness and value of the product.

We are proud to offer quality products in competitive markets. Our most important goal is customer satisfaction and loyalty around the globe.
